Manual: \$135 in addition to course registration fee. Includes e-book / hardcopy and 1-year Law Enforcement Inspections and Auditing Group (LEIAG) membership / website access. Add during your online registration. Manual is not required for the course but is an excellent resource.

The manual is for Law enforcement professionals, sworn and professional staff (non-sworn) working in law enforcement compliance / inspections functions. The manual is organized into three sections.

1. Provides background and context regarding benefits attributable to the inspections function in law enforcement.
2. Provides more detailed information to those tasked with implementing the inspections or audit function, including risk assessment and models to help determine which operations to evaluate
3. Provides information to those assigned to conduct inspections and steps to take while performing effective, results-driven inspections or audits.

The manual is over 400 pages.

- Training resource for law enforcement inspections and audits.
- Assist law enforcement agencies in creating or modifying manuals and policies and procedures related to audits and inspections.
- Provides law enforcement professionals, government auditors and oversight groups with tools to develop and conduct inspections and audits in the law enforcement environment.
- Provides insight into various law enforcement operations, risks associated with each, and criteria for generally accepted practices. **Sections** for patrol, use of force, case management, professional standards, property and evidence, communications, training, tactical operations, jails, Special / undercover operations, and after-action reports.

NOTE: *Purchased manual will be provided onsite at the time of the in person course.*
